#### SCIATIC RHEUMATISM THE CAUSE OF INTENSE SUFFERING.

Mt. Sterling, Kv., April 9, 1902. Gentlemen: For over four years I suffered intensely with Sciatic Rheumatism. The Rheumatism first troubled me in my hip, then spread to my shoulders, head, and finally all over my body. I became such an invalid that neither my family nor friends thought it possible for me to survive long. I had tried so many prescriptions given me by physicians (which contained a great deal of potash), that my stomach was ruined, and there seemed no hope for recovery. I had been reading in the recovery recovery. I had been reading in the newspapers of S. S. S. and decided to try it, and to my joy commenced to get relief before the second bottle was gone. All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form Their powders dry up the mucuous membranes causing them to crack open and bleed.
